More information about the previous support: \*

# Your heritage project in detail

What is the aim of this project? *  (View the selection criteria in order to answer this question. If applicable, specify whether the heritage item has been protected and when, what end product [publication, exhibition, app, website etc.] can be expected, the artistic and historical importance of the heritage item, the key partners in your project [their age, the type (commercial, private, public institutions), their role etc.], your expectations and aspirations etc.)
What concrete actions will you take in order to achieve concrete, measurable results? Describe them. *
What change or impact are you aiming to achieve through your project? *
Where will vous project be extine?
Where will your project be active? *
(Indicate the postcode and the name of the district where your organisation is based)
O Your project is concentrated in one city in Belgium
O Your project concerns one country

To what extent does your project fit in with the Fund's own aims? \*

Enter the city or postal code. \*

Fill in the country. \*

Indicate what visibility you intend the Fund to have and what sustainability you are aiming to achieve in the medium term. \*

## Specific questions

The documents completed in this section must be uploaded as enclosures via the 'upload enclosures' section, together with the other requested enclosures that are listed.

Describe all the partners you are working with on this project (status of the partnership (intention to contact, first contact, agreement in principle, collaboration agreement etc.), and what academic/scientific support they are offering to your project etc.). You should only upload information about the role of each partner using this document.

You should only provide practical information about your project using this document. Illustrate your project using photographs. Provide a title and copyright for each photograph. Photographs may be used by the Fund in all communication about your project, so they must be free of all rights. Only copy low resolution photographs to this document. Please do not forget that the total size of all enclosures must not exceed 50 MB.

In case of a bursary or prize: please also provide your curriculum vitae and details of your expectations and aspirations. You should only upload information via this document.

# A few questions about you as a candidate

You can only enter a limited number of characters. Please provide a concise, concrete description.

Practical details
